

## **1<sup>st</sup> Annual Referee Mentoring Jamboree For U12, U14 and U16 Recreational Teams August 2<sup>nd</sup>-5<sup>th</sup> at Curtis Field and the Soccer Park**

**Who Can Participate?** Any SCYSL Boys Recreational U12, U14 and U16 Teams can register. This inaugural Jamboree will be limited to only 8 teams for its first year. We hope to expanded this event to include both boys and girls teams in subsequent years.

**Purpose:** Assist in the training of our new and less experienced SCYSL referees by using the on-field mentoring concept, and provide participating teams with an opportunity to compete and tune-up soccer skills before the Fall season begins.

**Team Benefits:** Preseason scrimmage games for your players to get familiar with the rules, the fields, and playing with each other.

**League Benefits:** New Referees get some on field training in a preseason-teaching environment. All of us benefit when we have competent and confident officials presiding at the games.

**How It Works:** Participating teams will play one game during the week and one game on Saturday or Sunday. There are no trophies and no standings will be kept; but you can bet the *players* will be competing and having fun and that's what it's all about. Each participating team must provide parent volunteers for field marshalling duties at the Soccer Park when their teams are playing there and for field setup and take down activities needed at Curtis Field when their teams are playing there. These setup and cleanup activities shouldn't take but about 30 minutes. Hopefully, your team rosters should be made available to you by August 1, 2007 so you should have time to hold a practice and get your equipment before the Jamboree takes place. There will be a maximum of eight teams allowed for the first year of this Jamboree.

**Team Costs:** \$50.00 per team, which will assist in defraying the costs of expenses for lights at the Soccer Park. Successful participation includes showing up for assigned games on time, field marshalling activities and fulfilling field preparation, setup, takedown and cleanup assignments. The Jamboree Coordinator shall determine if a team's participation is successful.

**How to Register:** Complete the Registration Below and make a check for \$50.00 payable to SCYSL. This can be given to the U12 and above Jamboree Coordinator, Dennis Talbert or League Registrar at Registration.
